## Specification Changes

SECTION 00800

1. Page 00800-17, paragraph 1.33, Delete its entirety in the para. 1.33 and replace with the following two paragraphs 1.33.A and 1.33.B:

“1.33.A INSURANCE PROCURED BY THE CONTRACTOR

a. At the Government's option, to be exercised in writing no later than 120 days after contract award, the Contractor shall procure and maintain during the entire period of its performance under this contract the following insurance policies:

(1) Commercial General Liability Insurance in limits of not less than Three Million Dollars (\$3,000,000) combined single limit per occurrence for bodily injury, death, personal injury and property damage, including but not limited to coverage for premises-operations, products-completed operations, independent contractors, broad form property damage, property damage arising out of explosion, collapse or underground property damage hazards with a contractual liability endorsements covering the risks assumed under this agreement.

(2) Maritime Protection and Indemnity Insurance in limits of not less than Five Million Dollars (\$5,000,000) combined single limit per occurrence for bodily injury, death, and property damage including coverage for Masters and members of crews.

b. The policies described in 1 and 2 above shall be endorsed to include the Port Authority of New York and New Jersey (the "Port Authority") as an additional insured and shall contain a provision that the policies may not be cancelled, terminated or modified without thirty days written notice to the Contracting Officer, US Army Corps of Engineers, 26 Federal Plaza, New York, New York 10278-0090 and the General Manager, Risk Management, The Port Authority of New York and New Jersey, One World Trade Center, Room 64 North, New York, NY 10048 (Attention: Certificate Review). Moreover, the General Liability policy shall not contain any provisions for exclusions from liability other than provisions for exclusions from liability forming part of the standard, basic unamended and unendorsed comprehensive general liability policy.

c. Further, the liability policies shall be specifically endorsed to prohibit the insurance carrier from raising any defense involving in any way jurisdiction of the Tribunal, immunity of the Port Authority, governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority without obtaining written expressed advance permission from the General Counsel of the Port Authority.

d. The Contractor shall take out and maintain Workers Compensation Insurance (including other states coverage) in accordance with requirements of law. The policy shall include the United States Longshoremen and Harbor Workers Compensation Act Endorsement.

e. In the event the Government exercises the option provided for in this Section, the Contractor shall furnish to the Contracting Officer and to the Port Authority at the above addresses, within five (5) calendar days of the award of the option, a certificate of insurance evidencing the above required insurance. The policies and the certificate of insurance evidencing required insurance shall contain an endorsement to the effect that cancellation or any material change in the policies adversely affecting the interests of the Port Authority in such insurance shall not be effective for such a period as may be prescribed by the laws of the State in which this contract is to be performed and in no event less than thirty (30) days after written notice thereof to the Contracting Officer and the Port Authority. The Contracting Officer and the Port Authority shall have the right, upon written notice, to receive copies of the policies required hereunder.

f. Prior to exercise of the option provided for in this Section, the Contractor will be required to submit to the Contracting Officer a certification from the Contractor's insurance carrier that the amount inserted by the Contractor in the item entitled "Additional Cost for Optional Insurance" of the Price Schedule represents only the additional premium paid by the Contractor as a direct result of the specific insurance requirements of this Section and excludes those premium costs which would have otherwise been incurred by the Contractor if the insurance option had not been exercised.

g. Prior to any exercise of the option provided for in this Section, the Contractor shall furnish a computation from his insurance carrier, which sets forth the elements of the said additional premium, including, but not limited to the following: the additional costs of the Port Authority of New York and New Jersey being named as an additional insured broken down by policy type; any other additional costs due to the insurance requirement and the nature thereof.

h. Prior to any exercise of the option provided for in this Section, the Contractor shall furnish a computation as to that amount, if any, of the premium costs of his existing insurance coverage he is allocated to the work of this contract. The Contractor shall indicate whether such attribution is pursuant to a standard formula or cost administration practice or was otherwise derived.

i. The Government reserves the right to request a further elaboration with regard to this computation at any time before exercise of the option.

j. Payment items for insurance premium procured by the Contractor under this paragraph shall be made at contract lump sum price listed in the Bidding Schedule No. 0003, Additional Cost for Optional Insurance, if the optional item is awarded.

### 1.33.B INSURANCE PROCURED BY THE PORT AUTHORITY

The Port Authority will procure and maintain in force at its own cost an Environmental Insurance Policy covering Contractor's pollution legal liability and professional liability, including cleanup, with a limit of \$20,000,000 each claim and in the aggregate and a deductible of \$100,000 as it release to the work of this Contract for dredging and disposal of dredged material. The policy will be in effect commencing on the date that the Government awards this Contract and will include the Contractor and approved subcontractors as named insureds for such period that is appropriate for the methods used by the Contractor and subcontractors for dredging and disposal of dredged material.

The Contractor and the subcontractors must refer to the policy form to determine all coverage included and excluded and to determine their rights and responsibilities as insureds under the policy form. A copy of the policy may be examined during normal business hours by the Contractor under or, at the Contractor's request, by any of the subcontractors performing work for the Contractor under this Contract, at the office of the General Manager, Risk Management/Treasury, The Port Authority of NY and NJ, One World Trade Center, 64N, New York, New York, 10048. The Contractor and the subcontractors are responsible for payment for all losses within the deductible and losses not covered by the Environmental Insurance Policy.

The Contractor and subcontractors shall comply with all obligations as insureds under or in connection with the above policy."

### SECTION 00900

1. Section 00900: Replace Wage Rates with the attached revised wage rates, NJ01000003, dated 9 March 2001 pages 00900-1 (Amend. 2) thru 00900-53.

### SECTION 01420

1. Page 01420-2, paragraph 4.2.d, Delete the last two sentences and replace with "'If operations are performed during more than one work shift, a SSHO shall be present for at least one shift per day and that shift shall encompass the normal daytime hours. A safety professional shall be present for the remaining shifts and shall be under the direct supervision of the CSP."

### SECTION 02220

1. Page 02220-4, At the end of Section 02220, add a new page 02220-5 (Amend. 2), which accompanies.

2. This Amendment shall be attached to the drawings and specifications and shall be a part of thereof.

The following questions and answers are provided for information only. Nothing contained below amends or revises any provision of the solicitation.

Questions and Answers

FOR INFORMATION PURPOSES ONLY

Question: Section 00800, Special Contracts Requirements, Paragraph 1.6 Physical Data, reference a plane of MLW as 2.3 feet below NGVD 29. From the NOAA website, it has been determined that NOAA defines MLW as 1.77 feet below NGVD 29 for the monument listed in the contract. Please advise all interested bidders as to which conversion is correct for this contract.

Answer: The project datum, MLW, is defined as 2.3 feet below the NGVD 29 and the acceptance surveys as well as progress payment surveys shall be based on MLW as being "2.3 feet below the National Geodetic Vertical Datum 29". No other datum shall be used for this contract. Bidders are expected to prepare their bids in accordance with the Plans and Specifications.

Question: Section 02220, Telephone Cable Removal. Is the Contractor required only to remove the cables within the dredge limits as shown on the drawings or is the Contractor required to go outside the dredge limits? Does the Corps have any more information about the abandoned telephone cables, i.e. at what depths the cables are assumed to be, points of contact for the utility company, etc.?

Answer: The Contractor is required to remove and dispose of only the cables within the dredge limits as shown on the drawings. The cables are terminated at manholes approximately 30 ft off the bulkheads (See Page 02220-5 (Amend. 2)). There is no as-built information, except for the utility manhole locations attached with this amendment, available at the present time. The point of contact for the utility company is Mr. Bruce M. Stanley, Manager, Centralized Engineering Services, Verizon Communications and he can be reached at 973-649-3007.

The due date for submission of proposals is extended to **27 March 2001 at 11:00 A.M. Eastern Standard Time.** Proposals received after the specified time will be late and shall not be considered.

Each offeror must acknowledge this amendment prior to the hour and date specified by; completing items 8 and 15 of this form and returning one copy of this amendment to this office; or acknowledging receipt of this amendment on each copy of the offer submitted or; by separate letter or telegram which includes a reference to the solicitation and amendment numbers. Failure to acknowledge any amendment by the date and time specified may result in rejection of your offer in accordance with Amendments to Solicitation (FAR 52.215-1)(b) and Submission, Modification, Revision, and Withdrawal of Proposals (FAR 52.215-1)(c).

All other terms and conditions of the original solicitation remain in full force and effect.

=====

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29 CFR 5.5(a)(1)(v)).

-----

In the listing above, the "SU" designation means that rates listed under that identifier do not reflect collectively bargained wage and fringe benefit rates. Other designations indicate unions whose rates have been determined to be prevailing.

#### WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can be:

\* an existing published wage determination

- \* a survey underlying a wage determination
- \* a Wage and Hour Division letter setting forth a position on a wage determination matter
- \* a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour Regional Office for the area in which the survey was conducted because those Regional Offices have responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations  
Wage and Hour Division  
U. S. Department of Labor  
200 Constitution Avenue, N. W.  
Washington, D. C. 20210

2.) If the answer to the question in 1.) is yes, then an interested party (those affected by the action) can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator  
U.S. Department of Labor  
200 Constitution Avenue, N. W.  
Washington, D. C. 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board  
U. S. Department of Labor  
200 Constitution Avenue, N. W.  
Washington, D. C. 20210

4.) All decisions by the Administrative Review Board are final.

=====

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29 CFR 5.5(a)(1)(v)).

-----

In the listing above, the "SU" designation means that rates listed under that identifier do not reflect collectively bargained wage and fringe benefit rates. Other designations indicate unions whose rates have been determined to be prevailing.

#### WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can be:

- \* an existing published wage determination
- \* a survey underlying a wage determination
- \* a Wage and Hour Division letter setting forth a position on a wage determination matter
- \* a conformance (additional classification and rate)ruling

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour Regional Office for the area in which the survey was conducted because those Regional Offices have responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations  
Wage and Hour Division  
U. S. Department of Labor  
200 Constitution Avenue, N. W.  
Washington, D. C. 20210

2.) If the answer to the question in 1.) is yes, then an interested party (those affected by the action) can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator  
U.S. Department of Labor  
200 Constitution Avenue, N. W.  
Washington, D. C. 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board  
U. S. Department of Labor  
200 Constitution Avenue, N. W.  
Washington, D. C. 20210

4.) All decisions by the Administrative Review Board are final.

=====

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29 CFR 5.5(a)(1)(v)).

-----

In the listing above, the "SU" designation means that rates listed under that identifier do not reflect collectively bargained wage and fringe benefit rates. Other designations indicate unions whose rates have been determined to be prevailing.

#### WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can be:

- \* an existing published wage determination
- \* a survey underlying a wage determination
- \* a Wage and Hour Division letter setting forth a position on a wage determination matter
- \* a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour Regional Office for the area in which the survey was conducted because those Regional Offices have responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations  
Wage and Hour Division  
U. S. Department of Labor  
200 Constitution Avenue, N. W.  
Washington, D. C. 20210

2.) If the answer to the question in 1.) is yes, then an interested party (those affected by the action) can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator  
U.S. Department of Labor  
200 Constitution Avenue, N. W.  
Washington, D. C. 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage payment data, project description, area practice material, etc.) that the

requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board  
U. S. Department of Labor  
200 Constitution Avenue, N. W.  
Washington, D. C. 20210

4.) All decisions by the Administrative Review Board are final.
